## PROGRAMME

### 08:15 REGISTRATION, NETWORKING AND REFRESHMENTS

#### 08:50 WELCOME

Nick Kirby, Editor-in-Chief, *BL magazine*

#### 09:00 WHAT SHOULD BE ON THE NED AGENDA IN 2016?

The ever-growing challenges of operating in the corporate and institutional sphere require all directors and business leaders to be on top of their game. What should be on your agenda in 2016?

#### 09:30 DUTIES AND LIABILITIES

A company's directors and officers are increasingly placed in the hot seat by those who closely scrutinise every management decision and action they take. What is current best practice and what additional responsibilities are there for those acting in a regulated environment?

#### 10:00 BOARD DYNAMICS AND DYNAMIC BOARDS

Great board performance doesn't happen by mistake. This session will take an interactive view on effective board development using a case study involving a fractured board of directors, a demanding Chairman and an incompetent CEO.

#### 10:40 BREAK

#### 11:00 THE DIGITAL NED

From cyber crime to cutting-edge technology, how can boards address both innovation and risk in the digital age? What questions should NEDs ask, and do they have the skills to do so?

#### 11:30 FROM CRISIS TO OPPORTUNITY

Recent research has highlighted board sentiment that too many strategic decisions are made with an incomplete understanding of risks and the company's capacity to manage those risks. This session will explore where crisis can lead to opportunity.

#### 12:00 PANEL DISCUSSION: THE JERSEY NED TOOLKIT

This panel will take a practical in-depth look at the role of the non-executive director, what is needed to be an effective member of the board, how to mitigate personal liability and what the best routes are to securing the right position.

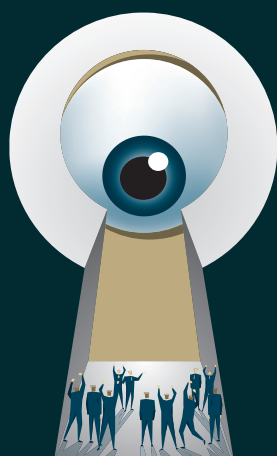

#### 12:40 CLOSING REMARKS

#### 12:45 CONFERENCE CLOSE

*Speakers are being confirmed and will  
be announced in due course*
